

Receiving Ordered PSP Supplies

- Your ordered supplies from the PSP Order Form will arrive in about 2 weeks.
- Please open your delivered supply order immediately to make sure all supplies are there and have not been damaged during shipping.
- If you receive damaged items or did not receive everything you need, contact your Oral Health Consultant.
- If your order has not arrive in 2 weeks, please check with your office staff or individual who receives the mail to determine if the box has been misplaced in your building. If you do not locate the box, please contact your Oral Health Consultant, your consultant will check on your order.
